**Will County for Center for Economic Development Announces
Kickoff of the Eastern Diplomat Committee**

(Joliet, IL) – The Will County Center for Economic Development (CED) announced the formation of the Eastern Diplomat Committee with a kick-off meeting and luncheon scheduled for mid-June.

The Diplomat Committee serves as a liaison between the CED and the business community by developing activities that encourage investors to become actively involved and by assisting in broadening presence in the Will County area. The CED is looking to form an Eastern Diplomat Committee with representation from companies, groups, or organizations located in New Lenox, Mokena, Orland Park, Tinley Park, Frankfort, Park Forest, Steger, Monee, University Park, Peotone, Beecher, Crete, and Sauk Village to increase business partnerships in that area of the County.
