

Available Business Assistance Programs

Will County

Tax Abatement Program

The Will County Tax Abatement Program can provide for a three, four, or five-year, 50% abatement for qualifying projects on new increment generated by new or expanded facilities.

The property tax abatement process begins with submitting the abatement application to the Will County Center for Economic Development. The review, scoring, and approval process generally takes 60 days. Each individual taxing body is required to approve the request to abate their portion of the real estate taxes.

Business Grants for Employee Training Program

Incumbent worker training grants are available through the [Workforce Investment Board of Will County](#). Companies with Will County sites in Healthcare, Manufacturing, Professional/Financial/Information Technology Services, and Transportation/Distribution/Logistics (TDL) industries are eligible to apply.

Applications and detailed information including anticipated costs/fees available through Mary Gajcak at mgajcak@willcountyillinois.com or 815-727-5679.

Contact [Doug Pryor, Vice President of Economic Development](#), to learn more about incentives available to you through state, county or local programs focused on businesses growth and job creation.
